

14 July 2026

OFFICIAL RECOGNITION OF THE 2026 PICKLEBALL WORLD CUP

On behalf of the World Pickleball Federation, we are pleased to express our support for the 2026 Pickleball World Cup, taking place in Da Nang, Vietnam, from 30 August to 6 September 2026.

The continued growth of pickleball depends on people and organisations who are willing to invest their time, energy and passion into creating meaningful opportunities for players and countries to come together. Events such as the Pickleball World Cup play an important role in strengthening our international community and showcasing the nature of our sport.

We believe strongly in **collaboration, unity and working together in the best interests of our sport**. It is our responsibility to support initiatives that create meaningful opportunities for athletes to compete, connect with one another and represent with pride.

The World Pickleball Federation is therefore pleased to stand in support of this event and the work being done to grow pickleball throughout Asia and around the world. As we recognise the commitment required to host an international competition of this nature and commend the organisers for their efforts.

We encourage our National Governing Bodies (NGBs), Full Members and Associate Members to participate in the Pickleball World Cup and to nominate and select athletes in accordance with organizer's selection criteria, eligibility standards and official rulebook.

We wish the organisers every success in delivering a memorable event that celebrates the sport we all love.

Yours sincerely,

Mrs. Kim Janice Wagner

President

World Pickleball Federation
